

Past Presidents Night 2026 Dinner Recap

The St. Louis Paint and Coatings Society has continued its tradition of hosting informative and engaging technical presentations for members and guests.

The St. Louis Paint & Coatings Society would like to extend a sincere thank you to everyone who attended this year's Past Presidents Night. The evening was a wonderful opportunity to celebrate the leadership, dedication, and lasting contributions of the individuals who have helped shape our society over the years.

A special thank you goes to our MC Gregg Peckman for his contributions to the event and providing such a welcoming atmosphere for our members and guests. In addition, a special thank you to Barbie Fleming from PRP Wine International for another year of great wine offerings.

Their hospitality helped make the evening both memorable and enjoyable for all in attendance.

The St. Louis Paint and Coatings Society would like to recognize the George Claytor Memorial Scholarship, sponsored by Walsh, for its continued support in helping industry professionals advance their education and careers. This year's recipient, Matt Grimm of Carboline, is eager to further expand his knowledge and expertise within the paint and coatings industry.

Events like Past Presidents Night continue to strengthen the connections within our industry and highlight the strong sense of community that defines SLPCS. We appreciate everyone who joined us in honoring our past leaders and look forward to another successful year ahead.
